

WEST WALLSEND HIGH SCHOOL BYOD CHARTER

Where a student wishes to use their own device to support school-based learning and the device will be used at school, the student will adhere to this BYOD Charter (The Charter) once endorsement has been provided by the Technology Support Leader.

THE CHARTER

- The student will adhere to the NSW Department of Education (DoE) Digital Devices and Online Services for Students Policy. This policy can be viewed at the following link: [Digital Devices and Online Services for Students \(nsw.gov.au\)](https://www.nsw.gov.au/digital-devices-and-online-services-for-students-policy)
- The maintenance and support of the device is the responsibility of the student and parents. The school will NOT fix or repair a personal device for any reason.
- The device must NOT have a SIM card installed. The student must connect to the DoE wireless network with their own credentials for internet access.
- There will be no access granted for any DoE resources such as printers or other network resources.
- The school will not provide charging for any device and further to this, the student will NOT unplug a school device in favour of their own device at any time.
- This document may be rescinded by the school at any time without notice.

Krystal Bevin
Principal

We have read the West Wallsend High School BYOD Charter and understand our responsibilities regarding the use of a personal device at school. In signing below, we acknowledge that we understand and agree to the West Wallsend High School BYOD Charter.

We understand that we accept responsibility for any costs associated with the repair or replacement of this device.
